

My name is Xxxx Xxxx. The Shawnee Indian Mission has been an integral part of our community for a long time.

The State of Kansas, City of Fairway and the Shawnee Indian Mission Foundation have worked tirelessly to not only preserve the Shawnee Indian Mission but create incredible opportunities for everyone to learn the history and culture of the historical landmark.

Whether it is adult educational opportunities, youth programming, the annual Tree Sale or the beloved Fall Festival, the community continues to learn more about the history of the Mission and what a significant landmark it is for the state of Kansas and the public's access to that history could be extinguished if the Shawnee Indian Mission were to be conveyed.

Please vote NO on SB 518.
